The Department of Pathology at University Hospital Schleswig-Holstein, Kiel in partnership with and with the support of Takeda Pharmaceuticals International AG are opening the ‘PEER’ - Pathology Expert Exchange Resource, PATHOLOGY WORKSHOPS ON CD30+ LYMPHOID MALIGNANCIES. The workshops will be organized and chaired by Professor Wolfram Klapper Head of Hematopathology at the Department of Pathology. There will be a panel of pathology experts from Kiel who will share their experience and discuss the diagnosis of patients based on your questions and submitted consultation cases.

The aim of the Workshops is to give a deep insight into the diagnostic criteria for the recognition of CD30-positive malignancies, including Hodgkin lymphoma, gray-zone lymphoma, anaplastic large cell lymphoma, and cutaneous CD30-positive disorders. This will be performed through didactic sessions, as well as through discussion of a reference case collection, accessible to Participants on-line through digital slides and light microscopes at the meetings as well as discussion on multi-headed microscopes of consultation cases which may be provided by the Participants.

In addition a continuous educational online platform will be run by Professor.

The Department of Pathology has full responsibility for the conduct and the content of the Workshops and the provision, conduct and monitoring of the Online Education Platform. The content of the Workshops, as well as the cases which will be uploaded and presented on the Online Education Platform, are provided by the Institution only. Takeda will neither have influence on the topics, the program in general, nor on the content of any materials authored and developed by, or on behalf of, the Institution.

Professionals from emerging market countries (such as Algeria, Argentina, Australia, Belarus, Chile, China, China (Hong Kong), Colombia, Equator, Egypt, India, Iran, Iraq, Kazakhstan, Kuwait, Lebanon, Malaysia, Mexico, Morocco, Oman, Peru, Philippines, Qatar, Russia, Singapore, Saudi Arabia, South Africa, South Korea, Syria, Taiwan, Thailand, Tunisia, Turkey, UAE, Ukraine, Venezuela, and Vietnam), are welcome to apply for attendance by sending an application together with CV of candidate to:

Prof. Dr. Wolfram Klapper – wklapper@path.uni-kiel.de and Louise Carrington – Louise.Carrington@succinctcomms.com

The details for the workshops are as follows:

**Location:** Department of Pathology, University Hospital Schleswig-Holstein, Arnold-Heller-Straße 3, Haus 27, 1.OG, 24105, Kiel, Germany,

**Venue:** Department of Pathology

**Date:** 11–12 March 2016 (Session 1) and 16–17 September 2016 (Session 2)

Thank you very much for considering the invitation. It would be a great pleasure for Department of Pathology at University Hospital Schleswig-Holstein to welcome you to the Workshops.
