Dear Sir or Madam,

we have been ordered by the Communal Court of Kiel to carry out genetic testing in a case of disputed paternity. For this, it is necessary to take a genetic sample of

**Mr. XXX, geb. XXX**

May I ask you therefore, to take a buccal swab sample from him and to have it sent to us in the container provided. Please send this, together with the enclosed completed form proving identity, by airmail to the following address:

**Universitätsklinikum Schleswig-Holstein, Campus Kiel  
Institut für Rechtsmedizin  
Arnold-Heller-Str. 12**

**D 24105 Kiel
