

Extra Advantages for Symposium Attendees:

Opportunity to shadow faculty in UKSH Campus Kiel for 2-3 days including „scrubbed in“ participation in live surgery penile prosthesis implantations. Limited availability for 3 participants ;to be requested in advance. Additional Certificate of Participation will be awarded for this event.

Members of faculty

Prof. **Steven K. Wilson**, MD, FACS, FRCS
Institute for Urologic Excellence, California, USA

Prof. **Thilo Wedel**, MD, PhD
Institute of Anatomy, Center of Clinical Anatomy,
Christian-Albrechts University Kiel

Prof. of Urology **Tobias S. Kohler**, MD, MPH, FACS
Mayo Clinic College of Medicine, Minnesota, USA

Ass. Prof. of Urology Dr. **Georgios Hatzichristodoulou**,
MD, PhD
Department of Urology and Pediatric Urology,
University Hospital of Würzburg

Dr. **Christian Leiber**, MD, PhD, FECSM
Department of Urology, University Hospital of Freiburg

Ass. Prof. of Urology Dr. **Daniar Osmonov**, MD, PhD
Department of Urology and Pediatric Urology,
University Medical Center Schleswig-Holstein

Co-Sponsoring

Sponsoring amount 1,500 €

Coloplast will cover the expenses for location rent, planning, execution, surgical procedures on body donors, medical devices, speakers' fees and catering (total cost 33,350 €).

General Information

Location

Institute of Anatomy / Center of Clinical Anatomy
Christian-Albrechts University Kiel
Otto-Hahn-Platz 8, 24118 Kiel
(use the front entrance facing the Olshausenstrasse)

8th International Advanced Wilson's Master Class for Serious Penile Implanters and Penile Reconstructive Surgeons

Bring your own cases for roundtable discussions

23 & 24 May 2019

With friendly support

Department of Urology and Pediatric Urology
University Medical Center Schleswig Holstein

Institute of Anatomy
Center of Clinical Anatomy
Christian-Albrechts-University Kiel

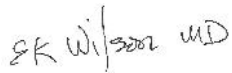

Invitation

Dear Colleagues,

We are delighted to welcome you in Kiel to the 8th Wilson's advanced surgical body donor course on penile reconstructive surgery. One highlight of the Kiel master class is a free participation for students and scrub nurses.

This course is addressed both to the experienced penile surgeon looking for the latest updates and to those who are on the way to start implantation programs in their facilities. The faculty decided to meet the demands of previous participants according to the past course evaluations and spend more time hands-on in the anatomical theater. This hands-on workshop will provide ample opportunity for practical experience and interaction between experts and participants. There will be a maximum of four participants and one expert per body donor. We are proud to announce an illustrious faculty which consists of worldwide well-known experts in the field of surgical andrology. Under supervision of Prof. Wilson, the faculty members will demonstrate an implantation step by step. The participants will be able to repeat all surgical steps on their body donor while being able to follow the procedure on large flat screens. During the performance, the participants will have the opportunity to discuss the tricks and challenges of each procedure with the experts.

Prof. Steven K. Wilson, MD, FACS, FRCS
Institute for Urologic Excellence, California, USA

Prof. Thilo Wedel, MD, PhD
Institute of Anatomy, Center of Clinical Anatomy,
Christian-Albrechts University Kiel

Associate Prof. of Urology Dr. Daniar Osmonov, MD, PhD
Department of Urology and Pediatric Urology,
University Medical Center Schleswig-Holstein

Program

Thursday, 23 May 2019

- 11:00 **Come together, welcome lunch and introduction**
- 11:30 **Theoretical part**
T. Wedel/S.K. Wilson/D. Osmonov/T. Kohler/C. Leiber
(20 min lecture and 10 min discussion)
1. Introduction of the Center of Clinical Anatomy, Guidelines for Surgery on Body Donors.
T. Wedel
 2. Tips & Tricks of Penoscrotal Implantation.
S.K. Wilson
 3. Clinical Considerations to Reduce Medical Device Infections.
T. Kohler
 4. Penile Lengthening with IPP. Myth and Reality.
C. Leiber
- 13:30 **Coffee break and visit of the anatomy museum**
- 14:00 **Surgery on body donors, hands-on**
1. Demonstration of Predissected Anatomical Specimens with Relevant Landmarks for Penile Implantation.
T. Wedel/D. Osmonov
 2. Demonstration of the Standard Instruments and Coloplast Wilson's Retractor for the Implantation of Penile Prosthesis.
D. Osmonov/S.K. Wilson
 3. Penoscrotal Implantation of Coloplast Titan Touch Penile Implant with Classic Reservoir Placement.
S.K. Wilson
 4. Demonstration of "Modeling Procedure" using Coloplast Cylinders. Video Presentation and Live Demonstration.
S.K. Wilson

After the demonstration surgery, all surgical procedures will be carried out by the participants at working stations / on body donors.

17:30 **End of the first day of workshop**

- 19:00 **Experts Dinner at „Kieler Kaufmann“**
- 19:00-19:40 **Legendary "talk of master":**
Changing Paradigms in Prosthetic Urology.
S.K. Wilson

Friday, 24 May 2019

- 08:00 **Theoretical part**
T. Wedel/S.K. Wilson/D. Osmonov/G. Hatzichristodoulou
(20 min lecture and 10 min discussion)
1. The Difficult Implant: Tips and Tricks.
S.K. Wilson
 2. Combined Treatment of Peyronie's Disease by IPP and Tachosil Graft (PICS Procedure).
G. Hatzichristodoulou
 3. Why High-Volume Implanters are Embracing Ectopic Placement of IPP.
D. Osmonov
- 09:30 **Coffee break**
- 10:00 **Surgery on body donors, hands-on**
1. Demonstration of Predissected Anatomical Specimens
Demonstrating Challenges of Ectopic Implantation
T.Wedel/D.Osmonov
 2. Ectopic high Submuscular Reservoir Placement. Surgery on Body Donor and on a Specimen.
S.K. Wilson
- 12:00 **Lunch**
- 12:45 3. VJPU corner: Demonstration of surgical Video of the Ectopic Submuscular reservoir placement.
S.K. Wilson
4. AUS and IPP Reservoir Placement. Anatomical Considerations and Clinical Evidence.
D. Osmonov
- 13:45 **Discuss your own case**
- 14:00 **Final discussion and closing remarks**
- 14:30 **End of workshop**
