To Universitätsklinikum Schleswig-Holstein
Professor Jens Scholz

On behalf of the Municipal non-profit enterprise «Lviv Territorial Medical Union «Multidisciplinary Clinical Hospital of Emergency and Intensive Care», let me extend our sincere gratitude for providing our hospital with disinfectant solutions and consumables for Dräger Anesthesia Machines. Thanks to your support, we will be able to provide our patients with the necessary care they urgently need.

Russia`s aggression in Ukraine has created numerous challenges, including disruptions to our healthcare system and infrastructure. In this moment of tremendous need, it is critically important for us to continue to provide high-quality medical care and lifesaving health services. Your support enables us to continue to treat our patients as the hostilities intensify and the number of victims rise.

Municipal non-profit enterprise «Lviv Territorial Medical Union «Multidisciplinary Clinical Hospital of Emergency and Intensive Care» is grateful for your generosity, dedication and support for our patients and the people of Ukraine.

Thank You very much for Your caring position.

Sincerely,
General Director
